

Director of Financial Aid

This policy applies to students with circumstances who qualify them to request a professional judgment adjustment to the data elements on their FAFSA impacting financial aid

circumstance. Supporting documentation pursuant to the request for a professional judgment are listed on the form. Once a student submits all required documentation, a final decision will be made within 14 business days. Students will be notified by email if their request for professional judgment is approved or denied. After processing the request, The Assistant Director or Director of Financial Aid reserves the right to deny a professional judgment request that does not increase a student's eligibility for aid. The decision of the Director of Financial Aid is final and cannot be appealed to the Department of Education.
